

On the Southern Darling Downs, by the banks of the Condamine River, lies the beautiful country town of Warwick. Steeped in history, Warwick is traditionally recognised as the "Rose and Rodeo City". Rose gardens abound in spring and the town becomes festive with Rodeo in late October each year.

Ideally located just 2 kilometres from the centre of town is Coachman's Inn Warwick, a new motel featuring quality accommodation, great food and good old fashioned country service. Conveniently situated at the cross roads to Brisbane, Sydney & Melbourne, a good nights' sleep is assured in our acoustically designed, extra quiet rooms.
