On the Southern Darling Downs, by the banks of the Condamine River, lies the beautiful country town of Warwick.

Steeped in history, Warwick is traditionally recognised as the "Rose and Rodeo City". The town is known for major events such as our Winter Jumper's and Jazz in July when the town jives into life and rose gardens abound in Spring when the town bucks into being with the famous Warwick Rodeo.

Horse and motorsport events run throughout the year further adding to Warwick's reputation as the Horsepower capital of Queensland.

Ideally located just 2 kilometres from the centre of town is Coachman's Inn Warwick, a modern motel featuring quality accommodation, great food and good old fashioned country service. Conveniently situated at the cross roads to Brisbane, Sydney and Melbourne, a good nights' sleep is assured in our acoustically designed, extra quiet rooms.

Our team at Coachman's Inn Warwick offers you our very very best hospitality and the perfect venue to ensure your stay or function is a great success.

A range of catering packages are available from simple morning and afternoon tea and light lunches to barbeques and banquets. Working lunches are a speciality. Our fully qualified chefs can provide tailored menus catering to you needs.

We are here to help you plan the perfect event and invite you to contact us directly to discuss and plan in detail
